Dear Parents,

URGENT MESSAGE from the Nurses...

NEW STATE MANDATES starting first day of school for **2017-2018** school year, August 28.

- **Don't Wait. Vaccinate!** Your child **must** have the required medically-appropriate vaccines (see attachment) or obtain exemption status by a physician for medical, religious or philosophical belief.
- **Parents have 5 days to satisfy this requirement upon the first day of school.** If the requirements are not met, there is **risk of exclusion from school**
- Students in all grades must have 4 polios and the last dose needed to be after the age 4. A student may be required a 5th dose if the 4th was given before age 4.
- 2nd meningococcal conjugate vaccine (Menactra) required by 12th grade. 1st dose is received during 7th grade. (Best to receive 2nd dose during 11th grade annual physical)
- A Medical Certificate with pending date of doctor's appointment for vaccination will be accepted but **must be received by first day of school.**
- If any of the above and attached vaccine requirements are not fulfilled by the first day of school, **your child will be excluded from school until all requirements are met.** This is a state requirement we must follow.

If you need any of the above and attached requirements please make an appointment with your doctor ASAP and submit the necessary documentations to the school nurses over the summer or before the first day of school.

For more information please contact the nurses. Thank you for your cooperation.
