Mini THON '18

The Penn State IFC/PHC Dance Marathon (THON) is the largest student run philanthropy in the world. The proceeds benefiting the Four Diamonds Fund, conquering childhood cancer, at the Hershey Medical Center in Hershey, Pennsylvania.

During THON weekend, 700 dancers and thousands of supporters come together in the hopes of one day finding a cure for pediatric cancer. Whether standing for two days as a dancer, entertaining the crowd, taking care of the facility, or even standing in the bleachers, every person at THON plays a small part in creating an amazing atmosphere of love, compassion and understanding. This collective effort, involving more than 15,000 students, has become one of Penn State's greatest and most unifying traditions.

All friends and family members of the Notre Dame community are welcome to visit the dancers throughout THON to join in on the fun!
