

Earn Your Wings This Winter

Lauren's Hope Foundation is a non profit organization founded in 2008 to help all children with brain injuries, as well as promote concussion awareness in youth sports programs.

Angel Wings Initiative is a fund raiser to help Lauren's Hope Foundation grant wishes for their annual Breakfast with Santa. They help families in many ways such as funding for adapted toys, Hippotherapy, therapeutic services and equipment and recreational programs.

The only way we can make this happen, is with the help of people like you!

The shirts will cost only \$15.00 and you will be able to wear them as a dress down day in the New Year.
