Fundraising tickets are available for pick-up or drop-off, in the Main School Lobby and Finance Office whenever school is open.

Tickets may be purchased all at once, or spread throughout the year. Each of the 5 tickets listed above are \$10 tickets with a chance of winning \$6,400 in total prizes.

Please ensure that the “Student Name” section is completed so we can apply credit to your fundraising account.

For every 10 tickets sold, you receive a free ticket for that drawing and you can write just one check for all the tickets purchased. All remaining balances will be billed to your FACTS Account after the final ticket drawing in May.

Fundraising 50% Plan: Once you have met your fundraising quota for the current school year, we will credit your tuition account 50 cents on every dollar over the quota.
