

Senior Parents

Once again we have partnered with Student Services Company to provide our seniors with Notre Dame High School's official graduation stationery products.

Graduation is just around the corner, and preparations for this event can never be too soon. Not too long ago he/she was given a graduation stationery (graduation announcements, name cards, thank you notes, etc.) packet of information to share with you.

Though the initial deadline has passed, if you have not ordered, it is not too late! Simply go to www.sscgradstore.com to enter SSC's online store and securely place your order.

This LATE ORDER PROGRAM is the company's last chance to fill your order. The final deadline for placing your order is Friday, March 22nd.

The photo invites ship free to your home within 7-10 days. All other graduation products ordered through this program will be mailed to your home in mid-May.

If you have any questions, please contact SSC via either phone (610.539.1330), or email at gradproducts@studentservicesco.com.
