

ND MiniTHON 2020 Dietary Needs Form

The MiniTHON Food Committee will provide special menu options for any students with dietary restrictions due to allergy, medical conditions, sensitivities or lifestyle. Please return this form with all medical forms to Mrs. Fenton no later than January 27th. Upon receipt of this form, a committee member will contact you to discuss menu options for your student. There will be no outside food items permitted at THON, however items may be donated in advance with approval of the committee. Please feel free to contact the committee members listed below with any questions or concerns.
