SCHOOL YEAR: 2019-2020

Dear Parent/Guardian:

The **Notre Dame High School** student transportation assignments will be emailed this summer. They will reflect the bus assignment for your student to ride from his/her bus stop to Nazareth High School where they transfer to the Notre Dame High School Shuttle Bus. That bus assignment is for all days that both Nazareth and Notre Dame High School have school.

Periodically throughout the school year, there are days when Nazareth is closed and Notre Dame High School has school. On these days, A.M. Transportation will be provided only to those Notre Dame High School students who request it.

If your Notre Dame High School student wants to be bused to school on days Notre Dame High School has school and Nazareth public schools are closed, please fill out the "Nazareth Not In Session" Transportation Request below. The deadline for the return of this request is **Friday, July 26, 2019**.

Any student who does not return this "Nazareth Not in Session" transportation request by **Friday, July 26, 2019**, will have to provide their own A.M. transportation to Notre Dame High School on the days Nazareth public schools are closed.

All students who request and return this "Nazareth Not in Session" transportation form will be notified with their busing arrangement for these special days (i.e., bus#, bus stop location and pick up time).

Please Note: This is for A.M. TRANSPORTATION ONLY. All Notre Dame High School students have access to P.M. transportation services with or without this request.
