Spring Sports Announcement **2019-2020** School Year

The Spring Sports season begins on **Monday, March 2, 2020**. A sports physical form (PIAA CIPPE FORM) or a recertification form (Sections 7 and/or 8) must be completed before your child can participate. Spring sports include baseball, softball, boys tennis, track and field, and boys and girls lacrosse (at Moravian Academy). **Please read the following instructions carefully.**

Recertification Required:

If your child had a sports physical earlier this school year (Fall or Winter Sports), parents and students need to complete the **PIAA Recertification Section 7 and/or Section 8 Form**. Section 8 is only required if there are any “YES” answers in the supplemental health section of the Section 7 form.

PIAA has made it clear that if your child has had a sports physical with your own doctor, any physician can sign the Re-Certification form as long as you have the original physical available for the physician to review. Therefore, if you DO NOT have the original physical, you need to see the original doctor.

New Sports Physical Required:

A new sports physical is required if your child has not had one this school year (after June 1st). Parents and students need to complete the required **PIAA CIPPE Form (Sections 1-6) and the Notre Dame Paperwork (emergency card, medical aid form, and athletic code)**. **ALL** these forms can be found on the Notre Dame web page under the Athletics tab. Click on “Athletics”, scroll down to the Resource Section, both links are located here. It is the responsibility of the parent to get a physical examination from their own physician.

Paperwork collection will be held on **the following date** after school in the Athletic Office.

Monday, February 24th – **ALL paperwork will be collected**

Your child will not be able to participate if the forms are not turned into the Athletic Office!
